Fallow Beach Trip

Fallow class had a fantastic trip to Exmouth beach. We walked along the beach and talked about the tide times and sea defenses. We then ate a yummy meal at a beach font café and then went on a boat trip. We saw lots of different animals and some children tried to convivence Miss Horrell that they had seen penguins and goldfish! Miss Horrell is not so sure about this!

The skipper gave us an extra ride so we could sail past the beach houses; we compared these to the beach huts we made at the end of last term. Most of us thought that ours were decorated better!

The day was finished off with a kind parent buying the whole class an ice cream! We had a fantastic day and the children were extremely well behaved. Although it has been a long time to wait for this trip, it was well worth the wait! We had lots of happy but tired children at the end of the day!

Exmoor Challenge

Frieda, Isabelle, Isaac and Rowan are taking on the Exmoor Challenge tomorrow. Everyone at Rackenford wishes you lots of luck.

Reminder

A polite reminder that children do not bring any toys into school. We currently have children bring in toys/cards to swap. We do not want any favourite toys/teddies ect to get lost.

Ofsted GRADED GOOD

Little Angels

This week, the children had an amazing time unleashing their creativity through movement, mark-making, and music, all driven by fun and energy. It was a pivotal week that encouraged them to think outside the box and explore their

abilities in a secure environment. This experience not only fosters their development but also cultivates a joyful atmosphere for both the children and the staff. It is one of our favourite weeks, as it lays a strong foundation for their personal growth and learning throughout the remainder of the term.
