Exciting News

What an exciting week at Rackenford Primary School! After months of struggling with only a few laptops working, last week following lots of failed attempts, we got delivery of 30 new chrome books! The children have been enjoying the new chrome books this week and they are thrilled to be able to have their own chrome book to complete their own work during lessons!

We are currently trying to raise funds along with the PTFA to get the KS2 playground redeveloped following the success of the re-development of the KS1 playground. If you have any ideas or suggestions to fundraise please contact Melissa in the office who will pass them onto Miss Horrell and the PTFA.

Lost Property

We have an increasing pile of jumpers in lost property. If they are labeled we will do our best to get them back to your child. If they are not labeled they will go in the lost property box and at the end of each term will go in the used uniform wardrobe.

Wednesday's cake sale made £98 for Fallow class. Last term Sika's cake sale made £145, so the PTFA have decided to match this; £145 will be donated directly to Fallow to spend on equipment & enrichment to benefit the children.

With the money Sika received they bought:
7 new skipping ropes
1 Double Dutch rope
2 new footballs
10 new dodge balls

Sika's wishlist includes a giant connect 4 game, basketball hoops and large football goals

.

Roe class cake sale will be on Monday 6th July after the music concert. Please let us know if you could help with this.

Little Angels

This week, the children focused on the important theme of safeguarding, exploring "My Underpants Rule" by Kate and Rod Power and "Pantosaurus" from the NSPCC. We dedicated time to activities that empower children's voices, promote health and wellbeing, and teach them about road safety. They also took part in risk assessments to learn about cause and effect, along with understanding the importance of taking responsibility for their choices. The children had a great time making biscuits and cupcakes, exercising their hearts, practising self-care and emotional regulation through meditation, and joining in a road safety awareness walk. A busy and important week of learning for all.
